12/1

Letter No. C1-70/44-45, dated, the 12th July, 1944, from the Director of Food Supplies, recommending sanction for the appointment of a Food Inspector on Rs.80/- plus Rs.20/- C.A. per mensem, for assisting the Food Assistant in the (i) Kolar, (ii) Shimoga, (iii) Chitaldrug, (iv) Kadur, (v) Hassan and (vi) Mandya districts.

1) The Director of Food Supplies reports that the Deputy Commissioners of Districts have, at their meeting held on the 17th June, 1944, strongly urged that there was pressing need of the appointment of a Food Inspector to assist the Food Assistant in his executive duties. He is of the opinion that some relief is quite necessary to the Food Assistants who have complex and varied administrative duties to perform "in addition to touring in the district" in connection with the prompt movement of foodgrains, inspection of depots, collection of statistics for the prescribed periodical statements etc. He therefore requests sanction for the appointment of a Food Inspector on Rs.80/- plus Rs.20/- Conveyance Allowance per mensem, who would work as assistant to the Food Assistant to the Deputy Commissioners of the following six districts;-in the respective District Offices:-

(i)	Kolar	(iv)	Kadur
(ii)	Shimoga	(v)	Hassan, and
(iii)	Chitaldrug	(vi)	Mandya.

He adds that in the case of district headquarter towns where rationing has already been introduced, the Food Inspector attached to the local Rationing officer would also work as assistant to the Food Assistant.

2) The Director's proposal to appoint a Food Inspector on Rs.80/- plus Rs.20/- C.A., per mensem, for work in the District offices of the six districts noted above, is for orders.

3) In the first place, it is submitted that the Food

Assistants to the Deputy Commissioners of districts are wholetime officers and that their duties do not entail touring work of any great magnitude.

4) In para 3 of G.O. No. SD.713-730/A.94/431, dated, the 9th August, 1943, it has been directed that the executive staff consisting of one first grade revenue inspector on Rs.50/- plus Rs.10/- and one second grade revenue inspector on Rs.40/- plus Rs.10/- (in addition to the clerical and menial establishments) working under the Grain Purchase Officers since abolished, should be absorbed in the Food Supplies Sections of the respective Deputy Commissioners of Districts. The above establishments are continuing in the respective District Offices. In addition to this, sanction has also been accorded for additional executive staff for special items of work proposed in the districts ~~from time to time~~.

5) For attending to food supply work in the District Offices, a basic scale of clerical establishment, varying in strength, from 8 to 10 hands, for each office has already been sanctioned in G.O. No. SD.7609-21/A.168-43-8, dated, the 8th/10th May, 1944.

What is Named Now as Executive Assistants

6) Recently, Orders of Government have been passed on a separate file sanctioning a basic scale of executive establishment consisting of Assistant Rationing Officers (of the rank of Deputy Amildars), Food Inspectors, Asst. Food Inspectors, etc., in addition to the requisite ministerial, and menial establishments, solely for rationing work in each urban area in the State. A draft G.O. has been put up in the concerned file and orders are under issue.

7) In view of the foregoing, there seems to be no case for sanctioning the six additional appointments of Food Inspectors on Rs.80/- plus Rs.20/- as assistants to the Food Assistants in the districts proposed.

Submitted: The Director states that the Food Inspectors will be necessary only in the 5 to the head quarters of which rationing

14 The proposals were no doubt sent by me when I was Director of Food Supplies.

(Food Supplies)

These executive officers are necessary to assist the Food Assistants at the District headquarters. But I think there are such officers already at each District headquarter Towns with various designations such as Special Revenue Inspectors, Special Sheristadars, etc. Moreover it was understood that most of the District headquarter Towns would come under rationing when automatically there will be a Deputy Amildar and Food or Asst. Food Inspectors under him for work at District headquarters.

These proposals may therefore, I think, lie over for the present.

18) The Special Sheristedars, Special Revenue Inspectors etc., already appointed in the Districts have specific duties assigned to them and cannot attend to the work for which the Food Inspectors are proposed to be appointed. Further, these appointment are proposed to be made only in the Districts in which rationing has not been introduced in the headquarter. I am of opinion that these appointments are quite necessary and request early sanction to the same.

Sir,

D. No. 197/S&P

Appointment of Food Inspectors for work under the Deputy Commissioners of Districts.

---oOo---

I have the honour to state that the work relating to Food Supplies in the Districts has increased considerably of late and the Food Assistants to the Deputy Commissioners are finding it extremely difficult to devote adequate and timely attention to the varied and complex administrative duties, in addition to touring in the District in connection with the prompt movement of foodgrains, inspection of depots, collection of statistics for the prescribed periodical statements, etc. The matter came up for discussion at the last meeting of the Deputy Commissioners held on 17th June 1944 and the Deputy Commissioners strongly urged that there was pressing need for the appointment of a Food Inspector to assist the Food Assistant in his executive duties. In the circumstances, I am of opinion that some relief is quite necessary to the Food Assistants and I request that sanction of Government may be kindly obtained for the appointment of a Food Inspector on Rs.80/- plus Rs.20/- C.A., p.m. in each District (to be attached to the Deputy Commissioner's Office) except where rationing is introduced in the District headquarter in which case the Food Inspector attached to the local Rationing Officer would work also as the Assistant to the Food Assistant. In the case of District headquarters in which rationing is introduced subsequently, these appointments will cease with effect from the date a separate Food Inspector is appointed for the purpose under the Rationing Scheme.

(2) I therefore request sanction to the appointment of a Food Inspector on Rs.80/- plus Rs.20/- C.A. in the following -- Districts.*
